

PUBLIC NOTICE

Hardwood Range Civilian Use rules have been revised for public safety and to comply with new Air Force Instructions.

Summary of changes:

- The **No Use Area** in the west impact area has been expanded
- Sign-in procedures are now conducted at the main gate sign-in station *only*
- Added snowmobile trail around the perimeter of the range within the firebreak

The west impact **No Use Area** is temporarily marked with signs that read:

(These signs will be replaced in the near future to match the revised 'Hardwood Range Civilian Use Rules' signage)

Please review the Hardwood Range Civilian Use Rules which are located at the main gate sign-in station and several informational kiosks around the perimeter of Hardwood Range.

Your cooperation is greatly appreciated and necessary for your safety.
